It was nice talking with you yesterday on the telephone. I have finished Chapter two and am into Chapter Three of the manuscript I have dubbed "Badly Reasoned".

If you have nothing pending in the near future for a manuscript idea I wish you would reconsider my idea of writing a short children's/ adolescent's level book on the JFK assassination. All that is out there generally lean to supporting the W.C. If the Conspirators are ever to succeed in perpetuating the myth it will be through the minds of children.

I believe you are the best person to be able to take the adventure

Well, feel better soon, okay?

summary of the W.C.'s report and indicate where it is unsupported by the facts. I believe it would be a legacy that would serve America well beyond after lives have passed. Additionally, it would be a gift to America's youth from a man who would not and could not let the Truth die. Clay C.

Hope you and lil' one feel
better with every passing day.
